NEWSLETTER

New Qualitative Researchers

Welcome to the latest issue of our newsletter bringing you the current events from the area of qualitative research.

We would like to briefly remind you that the ESA 9/10 RN20 Qlmx newsletter can also be found at http://www.qualitativesociology.org.uk/ESA_Qual_Newsletter.htm. Please also visit the site of ESA Qualitative Methods in Sociology Study Group (QMSG) at http://qmsg.org.uk/ for programmes and ethnographic approaches to community life – edited by Krzysztof Kolasa (krzysztof.kolasa@ncl.ac.uk) and Mark Doidge (mark.doidge@ncl.ac.uk). Also, the Facebook group for RN20 Qualitative Methods (http://www.facebook.com/groups/esarn20) is now open to all members.

We are delighted to announce that the Second issue of "Qualitative Sociology Review" is now available online at http://www.qualitativesociology.pl/index.php/volume-ii-issue-2-2011

Please make sure you read the latest issue of QSR!

NEWS

Our intention is to ensure the integration of worldwide qualitative researchers community. Therefore we are always looking for any information about your activities in the field of qualitative research. Please send us your news, publications, conferences, calls for papers, publications and internships to access, enjoy and profit!

QUALITY PAPERS

Qualitative Research in Organization and Management
Special Issue: Doing the Codes - Current Issues of the CAQ and Beyond

Guest Editors:
Paul Drechsler (University of Hamburg)
Rainer Hampel (University of Hamburg)
Boris Zobacsky (Pan-University of Massachusetts, Boston)

High quality contributions that offer insights into the use of CAQ and other tools in qualitative research are welcome. Topics may include, but are not limited to:
- How do we organize when we combine many minds, many situations and many findings?
- How do we keep track of our codes?
- How do we keep track of our ideas and our interpretations when we work in teams?
- How do we keep track of our ideas and our interpretations when we work in teams?
- Are there any new methodological challenges, solutions?
- Are there any new methodological challenges, solutions when access isn't
- Is there a need for new methodological challenges, solutions when access isn't
- Is there a need for new methodological challenges, solutions when access isn't
- Is a matter of dealing with ethnographic research? Are discover an (re)construct our research
- Are there any challenges, solutions when access isn't
- Are there any challenges, solutions when access isn't
